Membership renewal, we have lost 6 members, we are up one, and have 5 Assoc. members. Suggested that we extend the \$10 discount until the end of the week, to encourage memberships to pay.

Brochure- We got two quotes for printing the brochure, the two are very close, the savings in printing less, is substantial if we don't do a local mailing. We discussed the number of brochures to print, and possibly somewhere between 15000-25000 number. The consensus was to go with the printer that Janina is most comfortable with. BRG- will charge us 78\$/month for 8 centers, and \$175/month for all of their racks, for 4 months, but they extend that while they have a supply.

Web site- A letter was submitted to the Quimby Trust for help with the cost of the Web site, they can to give to an organization with our non profit status, but might be able to give through another entity.

Inn at Mill Falls collaborative add will still give us a 35% discount but the deadline is this Friday. We voted to skip the adv for this year and reassess for next year We discussed creating a one card survey that everyone could hand out and get an idea of where people come from..

The Sandwich Fair brochure is past due, we voted to do it again this year.

AGMS system, (credit card partners) has one restaurant signed up to donate a small percentage that will come to us as a non profit.

BAH March 18 at ATTP's new space. They will host the entire evening, but will have a table set up for members' brochures and information.
